

INNOVATIONSKONKURRENCE 2016

- kan din gode idé forvandles til en kommerciel succes?

DK

Har du en god forretningsidé inden for det biobaserede samfund (jordbrug, fødevarer, biomasse eller miljøteknologi), kan du deltage i Agro Business Parks innovationskonkurrence 2016. Konkurrencen giver dig mulighed for at vinde kr. 50.000 og få sparring til at gøre din idé til virkelighed. Vinderne kåres i uge 48.

> Krav og bedømmelseskriterier

For at deltage i konkurrencen kræves en god forretningsidé, som der endnu ikke er registreret salg på. Din idé bliver bedømt på baggrund af fire kriterier:

- Aktualitet
- Teknologisk og videnskabelig nyhedsværdi
- Kommercielt potentiale
- Realiserbarhed

Bedømmelsen foretages af en kompetent dommerkomité bestående af repræsentanter fra Agro Business Parks netværk. Se konkurrenceregler på www.agropark.dk/konkurrence.

> Præmier

Der udloddes tre præmier á kr. 50.000.

For alle tre vinderprojekter gælder desuden, at de får tre måneders gratis ophold i Agro Business Parks innovationskontor i Foulum eller Agro Food Park Inkubator i Skejby. Her tilbydes sparring i relation til konkretisering af forretningsidé, -model, -plan og -udvikling samt kapitalfremskaffelse i forbindelse med opstart af virksomhed. Alle lovende, indsendte projekter har mulighed for at blive præsenteret for mulige investorer igennem Agro Business Parks netværk.

UK

If you have a good business idea within the biobased economy (agriculture, food, biomass and environmental technology), you can participate in Agro Business Park's Innovation Competition 2016. The competition gives you the chance to win DKK 50,000 and to get help to turn your idea into reality. The winners will be announced in week 48.

> Requirements and assessment criteria

To participate in the competition any sales must not have been registered on the submitted project proposal. Your idea will be judged on the basis of four criteria:

- Topicality
- Technological and knowledge-based news value
- Business potential
- Opportunity to realise the idea commercially

The assessment will be carried out by a competent panel of representatives from Agro Business Park's network. Competition rules can be found at www.agropark.dk/konkurrence.

> Prizes

Three prizes of DKK 50,000 are awarded.

All three winning projects also get three months' free stay at Agro Business Park's innovation office in Foulum or at Agro Food Park Inkubator in Skejby. During the free stay, sparring in relation to the shaping of the business idea, model, plan and development as well as raising capital in connection with the start of business is offered. All promising projects submitted have the opportunity to be presented to potential investors through Agro Business Park's network.
